AFA 4247 **Interdisciplinary** **Global Learning**	**Latin America and the Caribbean in Africa: South-South Interactions** Introduction to the historical and dynamic relationships that have unfolded since the 1500s between Latin America and the Caribbean and Sub-Saharan Africa. **Includes material from history, sociology, international relations, economics, anthropology.**	100%	3
AFA 4370 **Interdisciplinary** **Global Learning** **Online**	**Global Hip Hop** Examines the global, trans-national and Africana dimensions of Hip Hop. **Includes material from music, art, and history**. **Course contains less than 100% LAC content.**	25%	3
Anthropology			
ANT 2410	**Introduction to Cultural Anthropology** Provides an overview of cultural anthropology, emphasizing the processes by which humans constitute themselves culturally through interplays of individual and society around the world. **Course contains less than 100% LAC content.**	25%	3
ANT 3034	**Anthropological Theories:** This course examines the process of theory building and explanation in the social sciences, and outlines the historical and philosophical foundations of anthropological thought. Theorists and schools of thought reviewed include Darwin and evolution; Boas and historical particularism; Freud and culture and personality; and Malinowski and functionalism**.Course contains less than 100% LAC content.**	50%	3
ANT 3212 **Global Learning**	**World Ethnography** Introduces students to ethnography, or the art of writing culture. Compare and contrast cultures through ethnographic reading, writing, and critiques. **Uses 50% LAC case studies. Course contains less than 100% LAC content.**	50%	3

ANT 3241 **Interdisciplinary Global Learning**	**Myth, Ritual, and Mysticism** Surveys anthropological approaches to the study of myth, ritual, and mysticism, as religious and symbolic systems. **Uses 75% LAC case studies. Includes material from religion, sociology, psychology, and anthropology. Course contains less than 100% LAC content.**	75%	3
ANT 3302	**Anthropology of Sex and Gender** Utilizes cross-cultural ethnographic data to examine the enculturation of sex roles, attitudes and behavior; cultural definitions of maleness and femaleness; varieties of human sexual awareness and response. **Uses 50% cross-sectional Latin American data. Course contains less than 100% LAC content.**	50%	3
ANT 3304	**Voices of Third World Women** Deals with the literature in the social sciences and humanities written by women of the Third World or others who have recorded their testimony. **Course contains less than 100% LAC content.**	25%	3
ANT 3451	**Race and Ethnicity** Considers ethnicity and concepts of race in cross-cultural perspective with emphasis on the historical and cultural construction of identity, intercultural relationships, and social stratification. **Uses 75% LAC case studies.Course contains less than 100% LAC content.**	75%	3
ANT 3467	**Food and Culture** Introduction to the anthropology of food: European conquest of the New World, theories of famine, the industrial food system, food and nationalism, the organic food movement. **Course contains less than 100% LAC content.**	25%	3
ANT 3640 **Interdisciplinary**	**Language and Culture** Examines the relationship between language and culture: linguistic structuring of perception and culture; speech styles and their relationship to identities and inequalities; and the politics of bilingualism and multilingual nations. **Uses 50% LAC case studies. Includes material from internatioal relations, sociology, linguistics, and anthropology. Course contains less than 100% LAC content.**	50%	3
ANT 3780	**Anthropology of Brazil** Anthropological perspective on Brazilian society and culture. Covers classic and contemporary studies of Brazil including such topics as race, ethnicity, national identity, regionalism, and social organization.	100%	3
ANT 4164	**Inca Civilization** A survey of Andean culture history with emphasis on Inca and pre-Inca civilizations. Includes discussion of peopling of South America, habitats, and the transition from foraging to village settlements, and the rise of indigenous empires.	100%	3
ANT 4305	**Coastal Cultures** Introduces students to the anthropological study of coastal and maritime societies, their folklore, and particular cultural adaptations by examining ethnographic examples from around the world. **Course contains less than 100% LAC content.**	25%	3

ANT 4306 **Interdisciplinary**	**The Third World** An interdisciplinary, cross-cultural survey of the factors contributing to the emergence of the Third World. Significant political, economic, pan-national and pan-ethnic coalitions are analyzed. **Includes material from politics, anthropology, economics, and sociology**. **Course contains less than 100% LAC content.**	25%	3
ANT 4324 **Interdisciplinary**	**Mexico** An interdisciplinary examination of the major social, cultural, economic, and political factors contributing to the transformation from the Aztec empire to colonial society to modern Mexico. **Includes material from history, sociology, economics, politics, and anthropology.**	100%	3
ANT 4328 **Interdisciplinary**	**Maya Civilization** A survey of the culture and intellectual achievements of the ancient Maya civilization of Mesoamerica. I**ncludes material from history and social-political structure, archaeology, agriculture and city planning, mathematics, hiero-glyphics, astronomy, and calendars.**	100%	3
ANT 4330 **Interdisciplinary**	**Contemporary Maya Cultures** Studies the Maya cultures of Mexico and Central America from the Conquest to the present. Investigates the political, social, economic, religious, and cultural life of contemporary Maya peoples. **Includes material from history, politics, sociology, economics, religious studies and anthopology.**	100%	3
ANT 4332	**Latin America** Examines cultures and societies of the Latin American region. Topics may include indigenous and peasant cultures, social movements, urban and global transformations, and class, gender and ethnicity.	100%	3
ANT 4334	**Contemporary Latin American Women**The lives of 20th century Latin American women and gender analysis along class and ethnic dimensions. Discussion of religion, family, gender roles, machismo, and women's roles in socio-political change.	100%	3
ANT 4340 **Interdisciplinary**	**Cultures of the Caribbean** Provides an overview of cultures and societies of the Caribbean and Circum-Caribbean region. **Includes material from history, international relations, sociology, language, and anthropology.**	100%	3
ANT 4343 **Interdisciplinary**	**Cuban Culture and Society** Examines the culture of contemporary Cuba, the transformations associated with the 1959 Revolution, the impact of international relations, and transnational Cuban communities. **Includes material from history, international relations, and anthropology.**	100%	3
ANT 4397 **Interdisciplinary**	**African Diaspora Cultures and Performativity** Examines different approaches of African Diaspora studies in social and cultural anthropology, and recent theoretical texts and debates in Performance studies. **Includes material from dance studies, history, sociology, and anthropology.**	100%	3

ANT 4473 **Interdisciplinary** **Global Learning**	**Anthropology of Globalization** Cross-cultural examination of globalization and of socioeconomic, environmental and political controversies surrounding this mega-trend, including the greening of the global economy. **Includes material from international relations, economics, and politics**. **Course contains less than 100% LAC content.**	25%	3
IDS 3333 **Global Learning**	**Diversity of Meaning: Language, Culture, and Gender** This course will explore the areas of language, gender and culture as they influence affect diverse ways of knowing and meaning and making in real and virtual global networks. **Course contains less than 100% LAC content.**	25%	3
Architecture			
ARC 3797	**Hotels: Miami and La Habana, Cuba at Mid-Century** Studies modern hotels constructed in Miami, Miami Beach, and La Habana just prior to the Cuban Revolution.	100%	3
Art and Art History			
ARH 3676	**Caribbean Art: Myth and Reality** A survey of the contemporary art of the Caribbean with a brief introduction to its early history and a discussion of its complex social structures from country to country.	100%	3
ARH 3873C	**Women in Latin American Art** Introduces women in Latin American art from its Pre-Columbian beginnings through the twentieth century. Emphasis will be on painting and sculpture of the twentieth century.	100%	3
ARH 4450	**Modern Art** A survey of Modern Art from 1890-1945. **Uses 50% LAC case studies.Course contains less than 100% LAC content.**	50%	3
ARH 4470	**Contemporary Art** A survey of art from 1945 to the present. **Uses 25% LAC case studies. Course contains less than 100% LAC content.**	25%	3
ARH 4512 **Global Learning**	**African Diaspora Arts** A survey of the origins and transformation of African Diaspora arts, and their regional manifestations across the Americas. It considers the Harlem Renaissance, Hip Hop, and identity politics. **Course contains less than 100% LAC content.**	50%	3
ARH 4650	**Pre-Columbian Art** A survey of Pre-Columbian Art from approximately 2000BCE to 1500CE of Mesoamerica, Intermediate area from Honoduras to Colombia and the Andes.	100%	3
ARH 4652 **Interdisciplinary**	**Pre-Columbian Art of the Andes** A survey of Pre-Colombian art and architecture. Basic characteristics of technique, style and iconography in relation to Andean socioeconomic, and cultural patterns. **Includes material from history, art history, and architecture.**	100%	3
ARH 4653 **Interdisciplinary**	**Mesoamerican Art History** . A survey of Meso-American Pre-Columbian art and architecture from the Mexican and Mayan territories, 1500BCE to the Conquest. **Includes material from history, art history, architecture, and anthropology.**	100%	3

ARH 4662	**The Art of Spain and her Colonies** Explores art of Spain from 1492 through early 19th century, the encounter between Spain and the Americas after the Conquest, and the art of the colonies.	100%	3
ARH 4670	**20th Century Latin American Art** The art of Central and South America and the Caribbean from the 20th century.	100%	3
ARH 4672	**A History of Cuban Art** A survey of the visual arts in Cuba (sculpture, painting, and prints) with emphasis on the 20th century.	100%	3
ARH 4430 **Interdisciplinary**	**Art and Politics in the Americas** An investigation into the interrelationships between art and political issues, with emphasis on the 19th and 20th centuries. **Includes material from history, art history, and politics.**	100%	3
ARH 4XXX	**Haitian Art** Examines in detail contemporary Haitian art, from the 19th century forward.	100%	3
ART 3821 **Global Learning designated**	**Visual Thinking 1** Students will utilize the making of art in its capacity as a form of communication and tool for thinking to demonstrate an awareness of the interrelatedness of local, global, international and intercultural issues, trends and systems from an historical and contemporary context. **Course contains less than 100% LAC content.**	25%	3
Biological Sciences			
BOT 3663	**Tropical Botany** How environmental factors affect the distribution of vegetation, and the morphology and physiology of plants in the tropics. **Uses 25% LAC case studies. Course contains less than 100% LAC content.**	25%	3
BOT 4402C **FLAC**	**Marine Botany** Study of the biology and ecology of seaweeds, seagrasses, and mangroves, with emphasis on South Florida and Caribbean ecosystems. **Occasionally taught in Spanish.**	100%	3
BOT 4684	**Taxonomy of Tropical Plants** Introduction to higher plant taxonomy, including nomenclature, modern systems of angiosperm classification, and angiosperm evolution. **Uses 25% Caribbean plant taxonomy. Course contains less than 100% LAC content.**	25%	3
BSC 4363	**Biodiversity in the Caribbean Basin** Current Issues on evolution, diversification, and conservation of biota of the Caribbean Basin.	100%	3
MCB 2000 **Global Learning**	**Introduction to Microbiology** Basic concepts of microbes as pathogens, food spoilage and fermentative organisms. Microbial relationships to immunology, sanitation, pollution and geochemical cycling. Not applicable for majors in Biological Sciences. **Course contains less than 100% LAC content.**	25%	3

OCB 3043	**Marine Biology and Oceanography** Introduction to Marine Biology and biological oceanography for majors in Biology and Marine Biology. It will also introduce the basics of physical and biological oceanography and the biology/ecology of the major marine ecosystems. **Uses 25% LAC case studies. Course contains less than 100% LAC content.**	25%	3
OCB 3264	**Biology of Coral Reefs** Biology of reef animals and reef ecology. Classroom instruction and observation of coral reef and turtle grass communities. **Uses 75% LAC case studies. Course contains less than 100% LAC content.**	75%	3
PCB 3374	**Tropical Ecology** In-depth survey of tropical climatology, ecological processes characteristic of tropical habitats, and biodiversity and conservation of tropical regions.	100%	3
PCB 4467C **Global Learning**	**Marine Protected Areas** Provides students with information on biological and sociological concepts as well as methods for the design and management of marine protected areas. Through the analysis of particular cases students will learn about the consequences of management strategies set in divers MPAs. Students are expected to conduct an independent research project of a protected area, particularly on the Caribbean and South Florida regions.	100%	3
PCB 4674	**Evolution** A study of the synthetic theory of evolution, its historic and experimental justification, and the mechanisms of natural selection. **References 25% LAC scholarship. Course contains less than 100% LAC content.**	25%	3
PCB 4723	**Animal Physiology** Advanced study of physiological mechanisms employed by animals to maintain function of the organ systems and to interact with the environment. **Uses 25% LAC case studies. Course contains less than 100% LAC content.**	25%	3
Business Law			
BUL 4310	**Legal Environment of Business** Examines issues such as: Contracts, Torts, legal/political/economic aspects of ethics and the law, U.C.C., Antitrust Law, Employment Law, Administrative Law, Securities Law, and International Business Law topics. **Uses 25% LAC legal cases. Course contains less than 100% LAC content.**	25%	3
Business Finance			
FIN 4604 **Global Learning**	**International Finance Management** Capital budgeting and operational analysis and financial decisions in the multinational context. Measurement and evaluation of the risk of internationally diversified assets. **Uses 50% LAC finance cases. Course contains less than 100% LAC content.**	25%	3
FIN 4634 **Global Learning**	**International Banking** Survey of issues on international aspects of banking, including the structure and operation of the international banking function, services offered, and how to improve efficiency and effectiveness of international banking organizations. **Uses 50% LAC banking issues cases. Course contains less than 100% LAC content.**	25%	3

FIN 4651	**Latin American Financial Markets and Institutions** Examines the Latin American financial climate, markets and institutions, evolution of money and capital markets, regulation, banking innovations, the role of foreign banking, integration, and globalization of banking.	100%	3
FIN 4663	**Global Private Banking** This course seeks to provide the students with an understanding of the nature of the global private banking, its role in preserving, augmenting and protecting wealth and how it is shaped by a sometimes-controversial need for confidentiality. **Course contains less than 100% LAC content.**	25%	3
Business Real Estate			
REE 4956 **Global Learning**	**International Real Estate** This course will focus on the characteristics of the international real estate environment including: inbound and outbound transactions, accounting practices, tax laws, legal constraints, global strategic planning, foreign exchange, global financing, and cultural issues. **Uses 25% LAC case studies. Course contains less than 100% LAC content.**	25%	3
Business Management and International Business			
ENT 4704	**International Entrepreneurship** This course provides a foundation in international entrepreneurship, focusing on the experiences of small as well as large entrepreneurial firms. Cross-national and cross-cultural business practices are analyzed. **Course contains less than 100% LAC content.**	75%	3
IDS 3163 **Global Learning**	**Global Supply Chains and Logistics** Global supply chains and their interactions with all facets of business and society. Design issues and operation issues are investigated using simulation models and case studies. **Course contains less than 100% LAC content.**	25%	3
MAN 4442	**International Business Negotiations** Developing expertise in negotiations across cultural borders, working with various suppliers, developing multicultural project teams and sensitivity, and developing counter proposals. **Course contains less than 100% LAC content.**	25%	3
MAN 4600	**International Management** Examines the functions of management in international firms and issues related to adapting managerial practice to local environments. **Uses 50% LAC case studies. Course contains less than 100% LAC content.**	50%	3
MAN 4602	**International Business** Examines the international business environment and related institutions that impact a global firm. **Uses 25% LAC, NAFTA, and FTAA case studies**. **Course contains less than 100% LAC content.**	25%	3
MAN 4610	**International Human Resources** Compares global human resource systems with emphasis on the reasons HR differences exist. The HR functions of selection, training, compensation and performance management are compared in different countries and cultures. Focuses on both expatriate assignment and foreign HR operations. **Course contains less than 100% LAC content.**	25%	3

MAN 4613	**International Risk Assessment** Introduces the types of risk confronting businesses operating internationally. Critiques specific techniques used to assess risk and relate the results to management decision making. **Course contains less than 100% LAC content.**	50%	3
MAN 4660 **Interdisciplinary**	**Business in Latin America** Examines the Latin American business climate, U.S.-Latin American business linkages, exporting to Latin America, and regional economic integration. **Includes material from political science, economics, sociology, and anthropology.**	100%	3
MAN 4663 **Interdisciplinary**	**Business in the Caribbean** Introduces students to various business practices and environments as they relate to countries in the Caribbean region including cultural, economic, political and legal factors. **Includes material from business administration, international business, economics, politics, law, and international relations.**	100%	3
MAN 4672	**International Business Regulation and Ethics** Provides a transactional approach to the international regulation and ethical frameworks in which firms conduct business in the global economy. **Course contains less than 100% LAC content.**	75%	3
MAN 4712	**International Business – Government Relations** The main objective of this course is to impart a broad understanding of the relationships between business and government in the international market place. **Course contains less than 100% LAC content.**	75%	3
MAN 4720 **Global Learning**	**Strategic Management** Capstone integration of real organizational situations. Decision making applied to business/corporate level strategy concepts, firm performance and global citizenship. **Course contains less than 100% LAC content.**	25%	3
MAN 4946	**International Business Internship** Supervised work in a selected organization in the area of international business. **Course contains less than 100% LAC content.**	75%	3
Business Marketing			
MAR 3023 **Global Learning designated**	**Marketing Management** A descriptive study of the functions and institutions common to marketing systems. **Uses 25% LAC marketing systems case studies. Course contains less than 100% LAC content.**	25%	3
MAR 4144	**Export Marketing** The course emphasizes practical approaches to export marketing, including marketing strategies and identifying, establishing, and consolidating foreign markets. **Uses 50% LAC marketing system case studies. Course contains less than 100% LAC content.**	50%	3
MAR 4156	**International Marketing** Studies the information required by marketing managers to assist in satisfying the needs of consumers internationally. Special emphasis will be given to the constraints of the international environment. **Uses 25% LAC case studies. Course contains less than 100% LAC content.**	25%	3
Communication Arts			

COM 3417 **Global Learning**	**Communication in Film** This course will examine the unique relationship between communication and film from the 1920's (the era of silent film) through today. **Course contains less than 100% LAC content**.	25%	3
COM 3461 **Global Learning**	**Intercultural/Interracial Communication** How people communicate cross culturally, interculturally, and intraculturally. **Uses 50% LAC case studies. Course contains less than 100% LAC content.**	50%	3
COM 3601 **Interdisciplinary**	**Environmental Communication** Through landmark essays exploring ecological conflicts, land use policy, natural disasters, and ecological movements, this course analyzes the communication applications related to the field. **Includes material from environmental studies, communications, and politics. Course contains less than 100% LAC content.**	25%	3
COM 4430 **Interdisciplinary** **Global Learning**	**International Business Communication** This course will provide students with the theoretical and experiential framework for examining the meaning of communication in global business. **Includes material from international business, politics, and communications**. **Course contains less than 100% LAC content.**	50%	3
COM 4733	**Cultural Communication Patterns of South America** This course will increase understanding of communication differences by contrasting and comparing communication patterns within South American cultures.	100%	3
COM 5415	**Intercultural Communication** This course examines the role culture plays in communication by examining differences and similarities in communication behaviors between and among diverse cultures. **Course contains less than 100% LAC content.**	50%	3
IDS 3336 **Interdisciplinary** **Global Learning**	**Artistic Expression in a Global Society** Exploration of the interrelatedness of societies and culture through language, music and art are explored to appreciate how individuals convey thought and respond to events from various perspectives. **Includes material from art, sociology, anthropology, and music history. Course contains less than 100% LAC content.**	25%	3
Criminal Justice			
CCJ 3651	**Drugs and Crime** Examines the history and consequences of mind-altering drugs, and criminal behavior as it is affected by drugs, the legal response to substance abuse, treatment, and prevention of substance abuse. **Uses 25% LAC case studies. Course contains less than 100% LAC content.**	25%	3
CCJ 4641	**Organized Crime** Historical development of organized crime in the US, defining organized crime from US and international perspective. **Uses 25% LAC case studies. Course contains less than 100% LAC content.**	25%	3
CCJ 4694 **Global Learning**	**Human Trafficking** Examines issues related to human trafficking and immigration from an international and global perspective. **Course contains less than 100% LAC content.**	25%	3

CJE 4174 **Global Learning**	**Comparative Criminal Justice Systems** A comparative analysis of three types of criminal justice: common law systems (US); civil law systems (Germany); and socialist law systems. **Uses 25% LAC law systems. Course contains less than 100% LAC content.**	25%	3
DSC 4012 **Global Learning**	**Global Terrorism** Examines the nature and causes of terrorism and the national, regional and global effects of particular terrorist groups focusing on their collective behavior and objectives. **Course contains less than 100% LAC content.**	25%	3
Earth Sciences and Environment			
EVR 2001 **Global Learning**	**Introduction to Environmental Science and Sustainability** Emphasizes the scientific knowledge of the environment in a global context that will be needed for local, global, international and intercultural environmental problem solving in the coming decades. **Course contains less than 100% LAC content.**	25%	3
EVR 3003 **Interdisciplinary**	**Latin American Environmental Issues** Introduces students to Latin America and the Caribbean and to its hisotrical and contemporary environmental challenges. **Includes material from history, anthropology, sociology and international relations and environmental studies.**	100%	3
EVR 3013	**Ecology of South Florida** Introduction to South Florida ecology, including trips to unique ecosystems (e.g. Everglades, hardwood hammocks, coastal regions). **Uses 25% LAC case studies. Course contains less than 100% LAC content.**	25%	3
EVR 4211	**Water Resources** Deals with various aspects of water use, water pollution problems, chemistry and ecology of South Florida's waters. **Uses 75% Amazonian case studies. Course contains less than 100% LAC content.**	75%	3
EVR 4411	**Human Organizations and Ecosystem Management** Environmental aspects of organizational theory and strategic management in indigenous and other local communities, non-governmental organizations, governments, and the private sector are discussed.	100%	3
EVR 4920	**Environmental Studies Senior Seminar** Series of talks by FIU and external experts addressing both development of professional skills and current environmental topics.	100%	3
EVR 4934 **Interdisciplinary**	**Global Environmental Issues** Applies scientific, social science, and humanities perspectives to the most pressing global-scale environmental issues with a primary focus on human interactions with the natural environment. **Uses 50% LAC case studies. Includes material from sociology, anthropology, international relations, environmental studies and politics. Course contains less than 100% LAC content.**	50%	3
EVR 4934 **Interdisciplinary**	**Environmental Education** Discusses how to reach Latin immigrant families with environmental education programs and projects. **Includes material from education and environmental studies.**	100%	3

EVR 4934	**Indigenous and Environmental Issues in the Andean Amazon** Better understand the socio-environmental conflicts affecting Indigenous Peoples in the Peruvian Amazon and to inspire their involvement in these issues through the interaction and interchange of ideas with some of the very people involved in these struggles as they work to resolve them.	100%	3
EVR 4934 **New Fall 2016**	**Native Traditions and the Environment Course F**ocuses on knowledge and traditions (Traditional Ecological Knowledges or TEK's) that have been transmitted across multiple generations through oral stories, and traditional beliefs and practices. Analyzes TEK'spotential contributions to climate change adaptation planning, natural resource management, and sustainable development at local, regional and national levels.	100%	3
GLY 3034	**Natural Disasters** A geological look at catastrophic events including earthquakes, volcanoes, tsunamis, mass movements, hurricanes, floods, and desertification. Emphasis on the geologic setting in which these natural disasters take place. **Uses 25% Caribbean Basin case studies.Course contains less than 100% LAC content.**	25%	3
GLY 4730	**Marine Geology** Survey of the main physiographic provinces of the ocean floor. Modern theories concerning the evolution of the crust; continental drift, sea floor spreading. Looks specifically at the Caribbean.	100%	3
GLY 4734 **Global Learning**	**Changing Coastlines** Focus on the physical processes that shape coastlines and the consequences of those processes for human activities. **Course contains less than 100% LAC content.**	25%	3
GLY 4881 **Global Learning**	**Coastal Hazards** Focus on the processes responsible for tsunamis, storm surges, coastal erosion, land subsidence, sea level rise, etc. and their mitigation. **Course contains less than 100% LAC content.**	25%	3
IDS 3211 **Interdisciplinary** **Global Learning**	**Global Climate Change** This course examines the interconnected relationship between humans and the structures we have created and our natural environment and the systems that underlie it in looking at global climate change. **Includes material from environmental studies, sociology, anthropology, and international relations. Course contains less than 100% LAC content.**	25%	3
OCE 3014 **Interdisciplinary** **Global Learning**	**Oceanography** The ocean origin, physical properties, salinity, temperature, sound. Radiative properties, heat budget and climatic control. Tides, wind-driven motion-monsoon circulation, sub-surface circulation. **Includes material from environmental studies. Course contains less than 100% LAC content.**	25%	3
Economics			
ECO 4701	**World Economy** A broad overview of the international economy in historical perspective. Topics: economic demography, trade flows, capital movements, diffusion of technology, and the emergence of transnational institutions. **Uses 50% LAC case studies. Course contains less than 100% LAC content.**	50%	3

ECO 4703 **Interdisciplinary**	**International Trade Theory and Policy** Causes and consequences of international trade; effects of tariffs and quotas; strategic trade and industrial policies; political economy of protectionism; international economic integration. **Uses 50% LAC case studies. Includes material from international relations and economics. Course contains less than 100% LAC content.**	50%	3
ECO 4713 **Global Learning**	**International Macroeconomics** Analysis of output, inflation, business cycles and economic policy in open economy settings; exchange rate regimes; fiscal, monetary, and exchange rate policies. **Uses 50% LAC case studies. Course contains less than 100% LAC content.**	50%	3
ECO 4934	**Economic Development of Latin America** Examines a particular topic or a selected number of topics in economics theory not otherwise offered in the curriculum.	100%	3
ECS 3003	**Comparative Economic Systems** Analysis of alternative economic systems. Emphasis on the contrast between market-oriented capitalist economies and Soviet-style planned economies. **Uses 50% LAC comparative case studies. Course contains less than 100% LAC content.**	50%	3
ECS 3013 **Interdisciplinary**	**Introduction to Economic Development** Structural and institutional determinants pf economic development; theories of economic growth, income distribution, rural-urban migration, education, international trade, economic reform, and the environment. **Uses 50% LAC case studies. Includes material from international relations, sociology, political science, and economics. Course contains less than 100% LAC content.**	50%	3
ECS 3021 **Interdisciplinary** **Global Learning**	**Women, Culture and Development** Analysis of problems facing women in developing countries, focusing on gender and cultural issues and their relationships to economic development. **Uses 50% LAC case studies. Includes material from anthropology, women's studies, ane economics. Course contains less than 100% LAC content.**	50%	3
ECS 3403	**Economics of Latin America** Study of current economic issues facing Latin American countries including population growth, poverty, inequality, inflation, trade and balance of payment problems, economic reform, and regional integration.	100%	3
ECS 3431	**Economics of the Caribbean Basin** Survey of the economic systems of the major countries of the Caribbean. Special attention devoted to current problems of economic growth and social transformation.	100%	3
ECS 3704	**International Economics** Explorations of why nations trade, effects of trade on distribution, commercial policy, balance of payments adjustment; exchange rate determination, Eurocurrency markets, and international institutions. **Course contains less than 100% LAC content.**	50%	3
ECS 4011	**Development Economics I** Problems of poverty, malnutrition, inequality, and development. Population growth and development. Rural-urban resource flows. The urban informal sector. **Uses 50% LAC case studies. Course contains less than 100% LAC content.**	50%	3

ECS 4014	**Development Economics II** Economic analysis of why some countries are rich and others poor, why some grow fast, and others do not. The role ideas, infrastructure, R&D, and education play in economic growth. **Uses 50% LAC case studies. Course contains less than 100% LAC content.**	50%	3
Education			
EDF 4604 **Interdisciplinary** **Global Learning**	**Cultural and Social Foundations of Education** Examines the cultural and social realities of teaching and learning in the US. **Uses 25% LAC case studies. Includes material from education, sociology, and anthropology. Course contains less than 100% LAC content.**	25%	3
EEC 3400 **Global Learning**	**Family Literacy and the Young Child** This course focuses on involving parents of young children in the development of early literacy skills from local, national, and international perspectives. When parents begin to speak early to their children, read to them, and create literacy rich environment, children develop better literacy. **Course contains less than 100% LAC content.**	25%	3
SSE 4380 **Global Learning**	**Developing a Global Perspective** Theory, content, and practice. Introduction and utilization of learning materials and teaching strategies in Global education K-12. **Uses 50% LAC case studies in comparative perspective. Course contains less than 100% LAC content.**	50%	3
Engineering			
EML 4905 **Global Learning**	**Senior Design Project** Project statement, in-depth survey, conceptual and structural design, analysis, statistical and cost analyses, ethical, societal and environmental impact, evaluation and revision of design for the global arena with multi-cultural and multi-national perspective, prototype construction, final presentation. **Course contains less than 100% LAC content.**	25%	3
English			
AML 4930	**Contemporary US Latino Literature F**ocuses on major works by and about modern Latino/Latin American and Caribbean society and culture. **Course contains less than 100% LAC content.**	50%	3
ENC 4930	**Special Topics in Composition:** Writing about the Exile Experience. **Course contains less than 100% LAC content.**	**25%**	3
LIT 2110	**World Literature I** Surveys the literature of many cultures from the beginning of written texts through the 16th century. Usually excludes British works. **Course contains less than 100% LAC content.**	**25%**	3
LIT 3190 **Interdisciplinary**	**Survey of Caribbean Literature** The narratives, poetry, and fiction from the beginning of the Caribbean literary tradition to the present time. **Includes material from geography, sociology, anthropology, and international relations.**	100%	3
LIT 3384 **Interdisciplinary**	**Caribbean Women Writers** Examination of the writings of Caribbean women. **Includes material from sociology, anthropology, and women's studies.**	100%	3

LIT 3671 **Interdisciplinary** **Global Learning**	**Global Issues in Literature** Examination of aspects of story, author, character, and contexts affected by migration, exile, global trade, or other transnational forces. **Includes material from english literature, sociology, anthropology, international relations and political science. Course contains less than 100% LAC content.**	25%	3
LIT 3673	**Migrant Stories: Literature from the Immigrant Experience** Fiction, essays, poetry, and drama of immigrants to England and America. Course may focus on Jewish, Caribbean, or other groups, or comparative studies. **Course contains less than 100% LAC content.**	25%	3
